The Boat

The new hull creates additional interior space allowing for exciting new layouts on a boat this size. With emphasis on taut cruiser lines, she is a joy to move around and reassuringly safe. The spacious cockpit, many relaxation and sun bathing areas, as well as an aft swim platform, promise true comfort.
From bow to stern, inside as well as on deck, at berth as well as at sea, the Oceanis 51.1 proves to be at once elegant, functional, comfortable and high-performance.
