Gennaker (opt)	Outboard engine 2.3 HP (opt)

The Boat

Whatever angle you take, the Oceanis 45 is a balanced sailing yacht. A very well-proportioned cruiser, it leaves in its wake some very fine performances.
On a very stable seaworthy hull, the Oceanis 45's deck plan clears space and simplifies manoeuvring. It has made very good progress in its ability to combine sailing speed and the pleasure of living on board. Long cruises are now much safer.
