BASE: CANNIGIONE - SARDINIA

## CREW PROFILE

## YOUR CAPTAIN - ALESSANDRO GIOMBETTI

Alessandro is a highly experienced professional skipper and yacht captain, with over 50,000 nautical miles sailed between the Mediterranean and the Atlantic Ocean. His career combines offshore sailing, charter operations, yacht deliveries and sailing instruction.
He holds RYA Yachtmaster Offshore, Italian Second-Class Yacht Officer license, and is a FIV-certified sailing instructor.
Alessandro has extensive experience on both monohulls and catamarans, including ocean crossings and international regattas such as ARC and ARC Europe.
Professional, authoritative yet approachable, Alessandro is known for his calm leadership, deep technical competence and strong focus on safety, ensuring smooth, enjoyable and well-organized experiences for guests.
Key strengths: Exceptional seamanship, safety management, leadership, guest care, crew coordination and training.
Languages: Italian (native) English (intermediate)

## YOUR HOSTESS - DALILA LENSI

Dalila is a professional yacht stewardess, attentive, empathetic and strongly focused on guest comfort and onboard well-being.
She has gained experience on sailing yachts and motor yachts, taking care of guest welcome, provisioning, table service, interior and exterior housekeeping. Her professional background also includes social and educational roles, which have strengthened her interpersonal skills, sensitivity, adaptability and ability to manage different personalities and needs, qualities highly valued.
Discreet, reliable and positive, Dalila contributes to creating a relaxed, welcoming and well-organized onboard atmosphere.
Key strengths: Guest care, organization, empathy, attention to detail, flexibility.
Languages: Italian (native) English (good)

## YOUR CHEF - PIETRO MOZZI

Pietro is a professional chef with a strong high-end culinary background, specialized in autonomous galley management and tailor-made menu creation, even in complex environments such as onboard service.
He has worked as a Private Chef on catamarans, providing full daily service for international guests, with particular attention to local ingredients, fresh catch of the day, dietary requirements and food intolerances. He is highly experienced in provisioning across different ports and managing storage, safety and quality standards in limited spaces.
His background also includes gourmet restaurants, culinary R&D, food cost control, organization and staff training, allowing him to deliver a structured, efficient and refined service on board.
Cuisine style: Contemporary Mediterranean with international influences, seasonal, product-focused and fully personalized.
Key strengths: Autonomy, organization, precision, ability to work under pressure, strong attention to detail and guest satisfaction.
Languages: Italian English (good) French (basic–intermediate)

# The Crew

Skipper, hostess and chef form a close-knit and highly professional crew, united by attention to detail, discretion and a genuine culture of service. Each charter experience is designed to offer safe and smooth navigation, refined and personalized service, and a relaxed atmosphere in which guests can enjoy the sea in complete comfort and peace of mind.
