The Boat

When Dufour's know-how re-invents itself to craft the sailing boat of tomorrow. This results in a 47-foot sailing yacht which is both beautifully designed and high-performance for incredible thrills.
The Dufour 470 combines both Dufour's know-how and the Brand's desire to in-novate.
Its hull design and the fluidity of its deck layout already make it an iconic sailing boat. Its modernity, its simplicity and its elegance already make it a new "classic".
