INFORMATION

An outstanding sailing yacht that pushes the boundaries of innovation This 17-meter yacht brilliantly marries refined design with remarkable innovations. It embodies the boldness of a pioneering project that has managed to keep the essence of a powerful yacht in a sailboat designed to provide the most intense sailing emotions. The Dufour Exclusive 56 sports an extremely balanced hull, with a powerful aft section, a reduced wetted surface area and appendages perfect for cruising. Its high ballast ratio and hull stability enable the yacht to support a powerful rig without compromising on comfort and safety on board. The sail plan was developed to guarantee maximum performance with minimum effort.
