2022 | BALI CATSPACE

12,33 M | 4 CABINS | 8 GUESTS

INFORMATION

Bali Catspace Sail represents a REVOLUTIONARY way to conceive a yacht as an authentic floating house. You will find in this 40 foot the equivalent living space of a BIG catamaran. It's fitted with 4 spacious double cabins, each one with its private bathroom; the 2 forecabins face the sea and have the same size of the aft cabins. The livability of the Flybridge outside is impressive as well as the forward cockpit. From a sailing point of view, the self-tacking jib and the square Top mainsail ensure extremely easy manoeuvering.
