

VIRIDIS

EXCLUSIVE LINE

2024 | DUFOUR 37
PERFORMANCE

10,77 M | 3 CABINS | 6 GUESTS

INFORMATION

This new hull form allows for a greater power/weight ratio for this boat that measures 10.8 metres overall: the feel at the helm is improved and offers more pleasure to the helmsman whatever point of sail you are on. On this new model, and particularly in comparison with other models in her size category, the mast has been lengthened to give increased sail area and make this yacht even more powerful.
