HOP ON BOARD!

DESIRE features a spirited, modern silhouette highlighted by expansive glazing in the wheelhouse for maximum light on board.

Smart solutions enhance the onboard experience, offering a high level of comfort with innovative features like an aft sun bench, a side swim platform that creates a sea-view terrace, and a flush deck that flows seamlessly from the cockpit to the wheelhouse.

INSIDE THE DESIRE

Desire's cockpit is designed for socializing, featuring an L-shaped bench that converts into a sun pad. This seating flows smoothly into the lounge sofa indoors, creating an expansive relaxation area.

Inside the spacious wheelhouse, you'll find everything you need, including a saloon, a fully equipped galley, and helm station. Large windows offer impressive all-around views, while roof windows bring in additional natural light for a bright and inviting interior.

COMFORT FOR UP TO 6 GUESTS

This spacious weekender is defined by light and exceptional cruising comfort. The double master cabin, complete with an en-suite shower room, exceeds typical standards, while the full-beam aft cabin offers three berths.

On the double convertible berth in the saloon sleeps two additional people, so a total of seven guests can comfortably enjoy on board the Desire.
