AMADA MIA

THE BOAT FOR YOUR CROATIAN ADVENTURE

With almost 40 years of experience in the naval business, Lagoon has remained a brand dedicated to life and freedom. And nothing feels more liberating than being out on the open sea, onboard your safe and reliable multihull, with the interior luxurious as a hotel suite.

Lagoon SIXTY 5 is a boat made by sailors for sailors. It is visible in every line of the 65-foot multihull.
The sleek sensible lines make the boat proudly stand out in any harbor, marina, or port. And when sailing, SIXTY 5 is in perfect harmony with the sea.

Her elegant lines have the recognizable Lagoon stamp all over and are modern at the same time. The innovative technology makes your sailing experience unforgettable.

ELEGANT AND FUNCTIONAL

This sleek multihull sleeps up to eight guests in one master cabin and three double cabins, all with en-suite bathrooms. The space in the cabins is cleverly utilized with bedside cabinets, sofas, desks, wardrobes, and bookshelves. Ample windows provide plenty of natural light and let you admire your surroundings even when you are relaxing inside.

SPEND TIME WITH YOUR LOVED ONES

The main saloon is comfortable and bright, with lots of space and natural light. There is a large dining table where you can relish all your favorite meals. A fully equipped galley has all utensils you may need. From the saloon, there is direct access to the foredeck terrace. The coffee table is a perfect spot to start your day. And in the afternoons, catch some vitamin D while relaxing on the sofas.

COCKPIT - carefully designed space

As soon as you step aboard the SIXTY 5, you notice and admire the wide transom platforms and low stairs. The massive cockpit quickly becomes one of your favorite social spaces onboard the SIXTY 5. The large table comfortably hosts eight people around it. There is also plenty of space on sofas to rest or sunbathe and catch some vitamin D. The swimming platform offers easy access to the sea.

FLYBRIDGE - a vital space on the SIXTY 5

It can be accessed from the cockpit via wide, safe stairs. When required, the area becomes fully enclosed with electric sliding doors. It is exquisitely appointed with two helm stations on each side. Bimini is fitted with see-through glass, so your skipper is able to keep an eye on the sails. A large dining table and a comfortable sofa effortlessly become the center of life. All you see is not all you get! Underneath the sofa, there is spacious storage to keep all your items safe and secure.

1 MASTER CABIN &
3 DOUBLE GUEST CABINS

Elegance and functionality are one of the main characteristics of the interior design which can be seen also in the cabin design. Lots of natural light, thanks to big windows on the hull, makes them truly luxurious. The cabins accommodate up to eight guests.
