

Yacht Charters Less Than a Week

Key Points to Consider (*valid for all gulets in Turkey*)

- All gulets with 5 or more cabins, are available for weekly charters only, operating from Saturday to Saturday.
- Some 4-cabin gulets may be available for shorter charters.
- Charters less than a week, must begin or end on a Saturday. Additionally, the remaining days of the week should be available for other charters. Refer to the table below for clarification.

	Check-in 15:00	-	Check-out 10:00	
a)	Saturday		Tuesday	3 nights
b)	Saturday		Wednesday	4 nights
c)	Wednesday		Saturday	3 nights
d)	Tuesday		Saturday	4 nights

- The daily price is higher than the prorated weekly price.

Please make your plans and enquiries accordingly.
