INSIDE THE LA ROSE

The LA ROSE offers spacious interiors with larger berths and versatile living areas. Its modular saloon and cockpit, with a dining table for up to 12, are perfect for gatherings.

Natural light from 360° windows creates a bright atmosphere with stunning panoramic views, while the fully equipped galley and cozy seating ensure ultimate comfort.

PORSCHE

COMFORT FOR UP TO 10 GUESTS

Four double cabins with bathrooms with walk-in showers accommodate up to 8 adults in utmost comfort. Additional double berh is in the saloon.

The skipper has a separate crew cabin in the bow, which guarantees guests' privacy. In case you would like to hire an additional hostess or chef to add to your leisure on board, they would use the other crew cabin in the bow.
