Made for life outdoors

The Galeon 420 Fly combines modern design and smart functionality for effortless cruising along the Adriatic. Featuring a spacious flybridge with grill, lounge area, dining table, and bimini top, it offers the perfect setup for relaxed days at sea.
With a hydraulic swimming platform and beautifully connected outdoor spaces, the yacht is designed for enjoying every moment on the water.

Comfort and entertainment on board

With 3 comfortable cabins, 2 bathrooms, and bright interior spaces, the Galeon 420 Fly offers a relaxed and welcoming atmosphere throughout the stay.
A great entertainment setup with 2 TVs and a Fusion audio system adds extra comfort on board, making it perfect for families or groups of friends enjoying time at sea.

Open-air living on the flybridge

The flybridge is designed for long summer days at sea, with comfortable lounge seating, a dining area, grill, and sunbeds surrounded by panoramic views.
Whether enjoying breakfast in the morning sun or sunset drinks with family and friends, this space naturally becomes the heart of life on board.

Slow mornings in the cockpit

Connected seamlessly to the salon, the aft cockpit creates the perfect outdoor living space for breakfast by the sea, afternoon drinks, or relaxed evenings at anchor.
With comfortable seating and direct access to the hydraulic swimming platform, it offers an easy connection to the water and the relaxed rhythm of life on board.

Light-filled spaces made for relaxing

The salon feels open and welcoming, filled with natural light from large panoramic windows. Contemporary finishes, soft tones, and seamless connection to the cockpit create a relaxed atmosphere throughout the day.
Designed for both comfort and social living, it’s the perfect space to unwind, dine, or simply enjoy the view

A calm and comfortable retreat

The master cabin offers a warm and relaxing atmosphere, with elegant details, soft lighting, and plenty of space.
Large windows bring in natural light and sea views, creating the perfect place to rest after a day on the water.
Quiet and beautifully designed, it feels like your own private retreat at sea.

Comfortable spaces for every guest

The guest cabins are designed for comfort and flexibility, offering one cabin with a double bed and another with twin beds that can easily be converted into a double.
Bright, elegant, and thoughtfully arranged, each cabin provides a calm and relaxing atmosphere for life on board.

Clean design, complete comfort

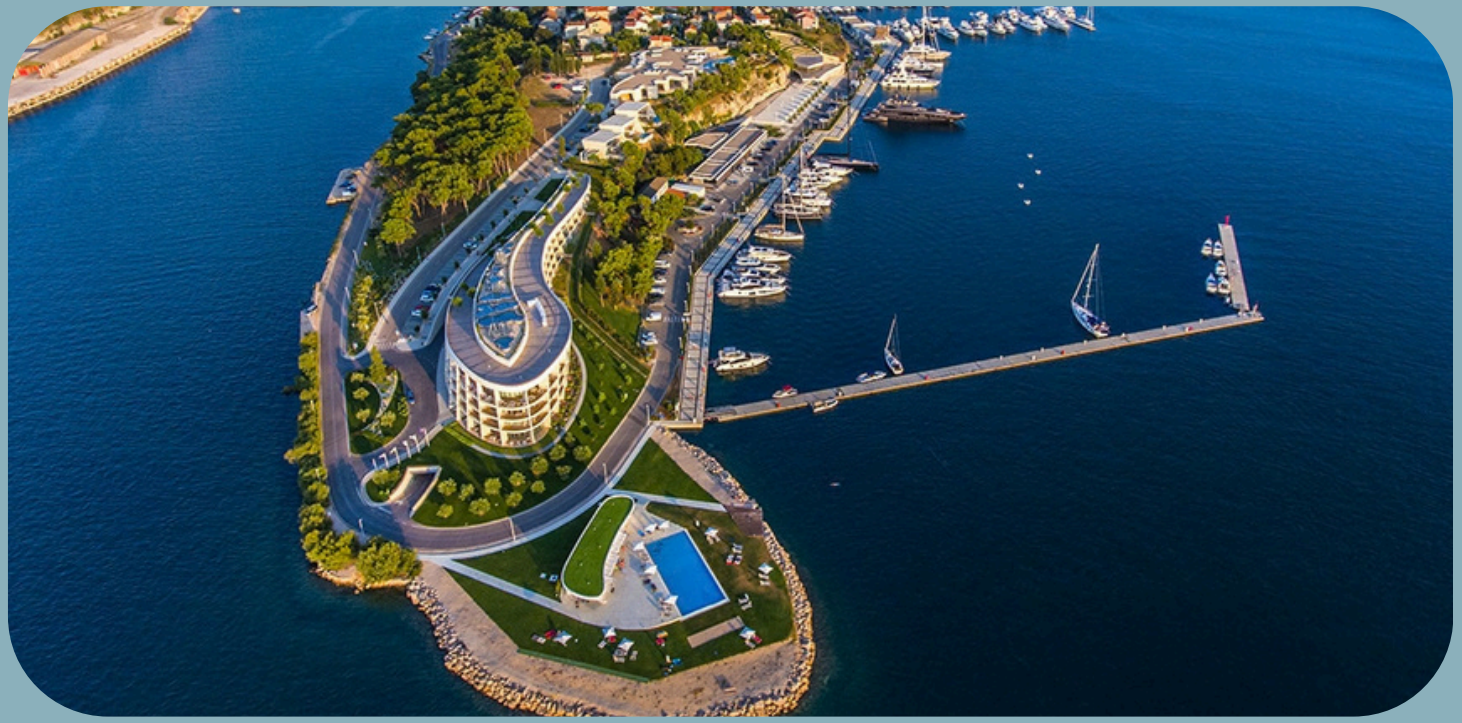

The bathrooms feature a clean, contemporary design with elegant finishes and spacious showers, bringing both comfort and practicality to everyday life on board.

Everything you need for effortless days at sea

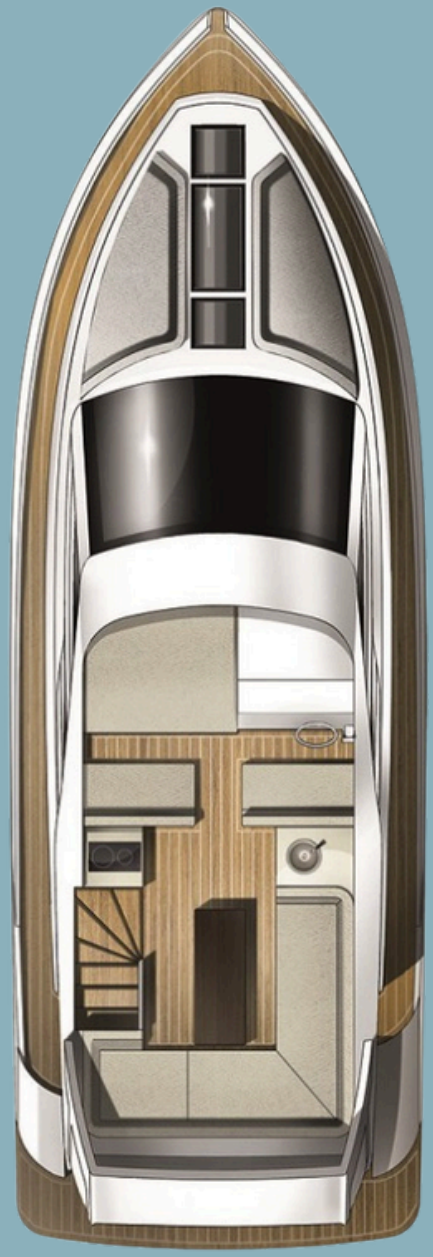

From sunny afternoons on the flybridge to peaceful evenings at anchor, the Galeon 420 Fly is designed for relaxed cruising in complete comfort.
Spacious outdoor areas, comfortable cabins, and smart onboard features create the perfect setting for enjoying the Adriatic at your own pace.

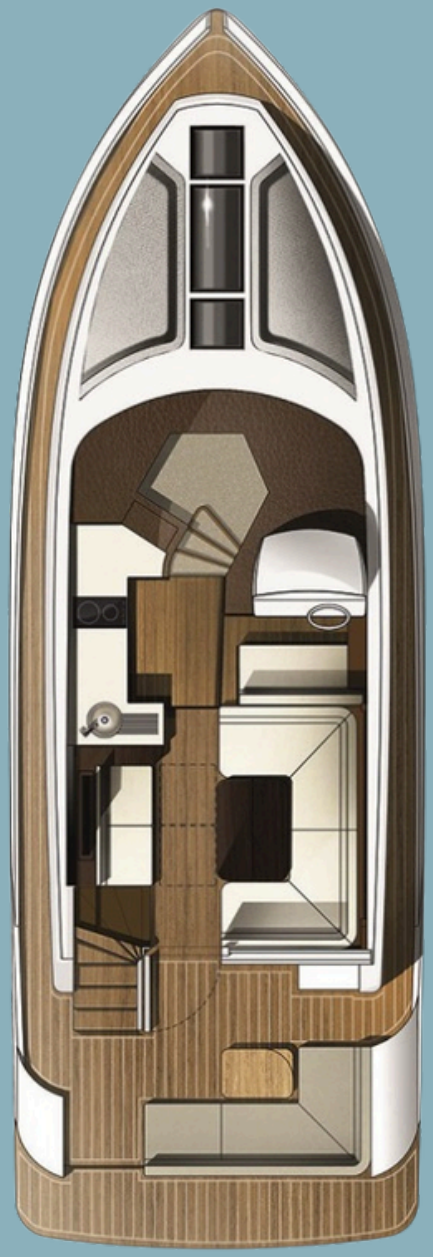

Where your journey begins

Cruise the Adriatic from our home base at D-Marin Mandalina in Šibenik, perfectly positioned between Zadar and Split airports. An ideal starting point for discovering the Šibenik archipelago and Kornati Islands, then cruising south towards Vis, Hvar and Korčula, with countless hidden gems to explore along the Dalmatian coast.
