

CROATIAN CREWED CATAMARAN

FARBEN

ABOUT FARBEN

Catamaran Farben is a new Bali 5.8 catamaran, with a beam of nearly 30ft. This spacious catamaran can accommodate up to 8 guests in 4 en suite cabins: a spacious Master Cabin and three additional double cabins.

Under the expert guidance of Captain Vinko and Chef/Hostess Lucia, Farben promises an exceptional charter experience. This experienced and dedicated crew is committed to delivering personalised service, ensuring that every guest enjoys an unforgettable journey filled with relaxation, adventure, and unparalleled comfort.

SALOON

One of Farben's most impressive features is its famous "garage door," which cleverly transforms the living space into a seamless indoor-outdoor area bathed in natural light, amplifying the sense of spaciousness.
Swing open the door to reveal the inviting inside seating and dining area. The well-equipped galley kitchen allows guests to witness the chef preparing fresh Mediterranean dishes right before their eyes.

CABINS

FARBEN features four cabins, including a generous Master suite that boasts an en suite and a dressing area filled with natural light. In addition, there are three double cabins and a twin cabin, which is primarily reserved for crew use but can accommodate guests upon prior arrangement. Each cabin is equipped with its own en suite, complete with Rituals toiletries.

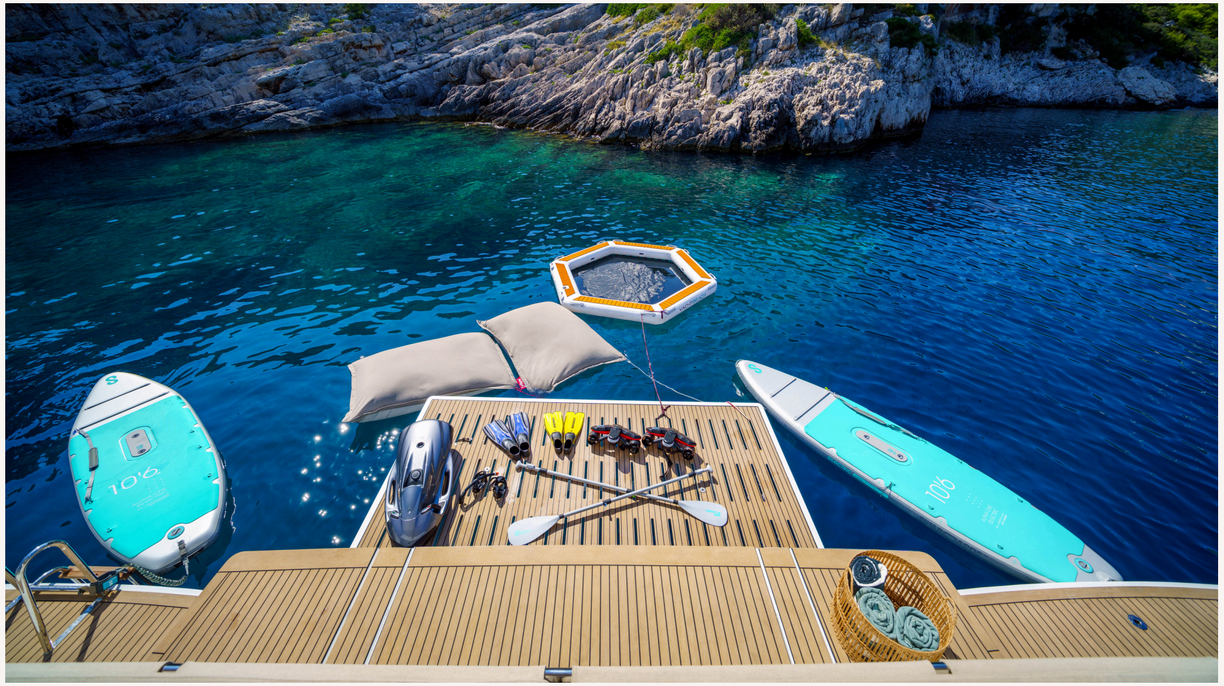

EXTERIOR LOUNGES & SUNDECK

Farben has plenty of outside space for guests to enjoy. For sun-seekers eager to bask in the glorious Croatian sunshine, Farben offers plenty of outdoor space to relax and unwind.

Guests can enjoy the expansive aft deck, the panoramic views from the flybridge, or the cozy foredeck seating area.
