
FOUNTAINE PAJOT SAMANA 59
SOLOMAR

WELCOMING THE BRAND NEW *'SOLOMAR'*

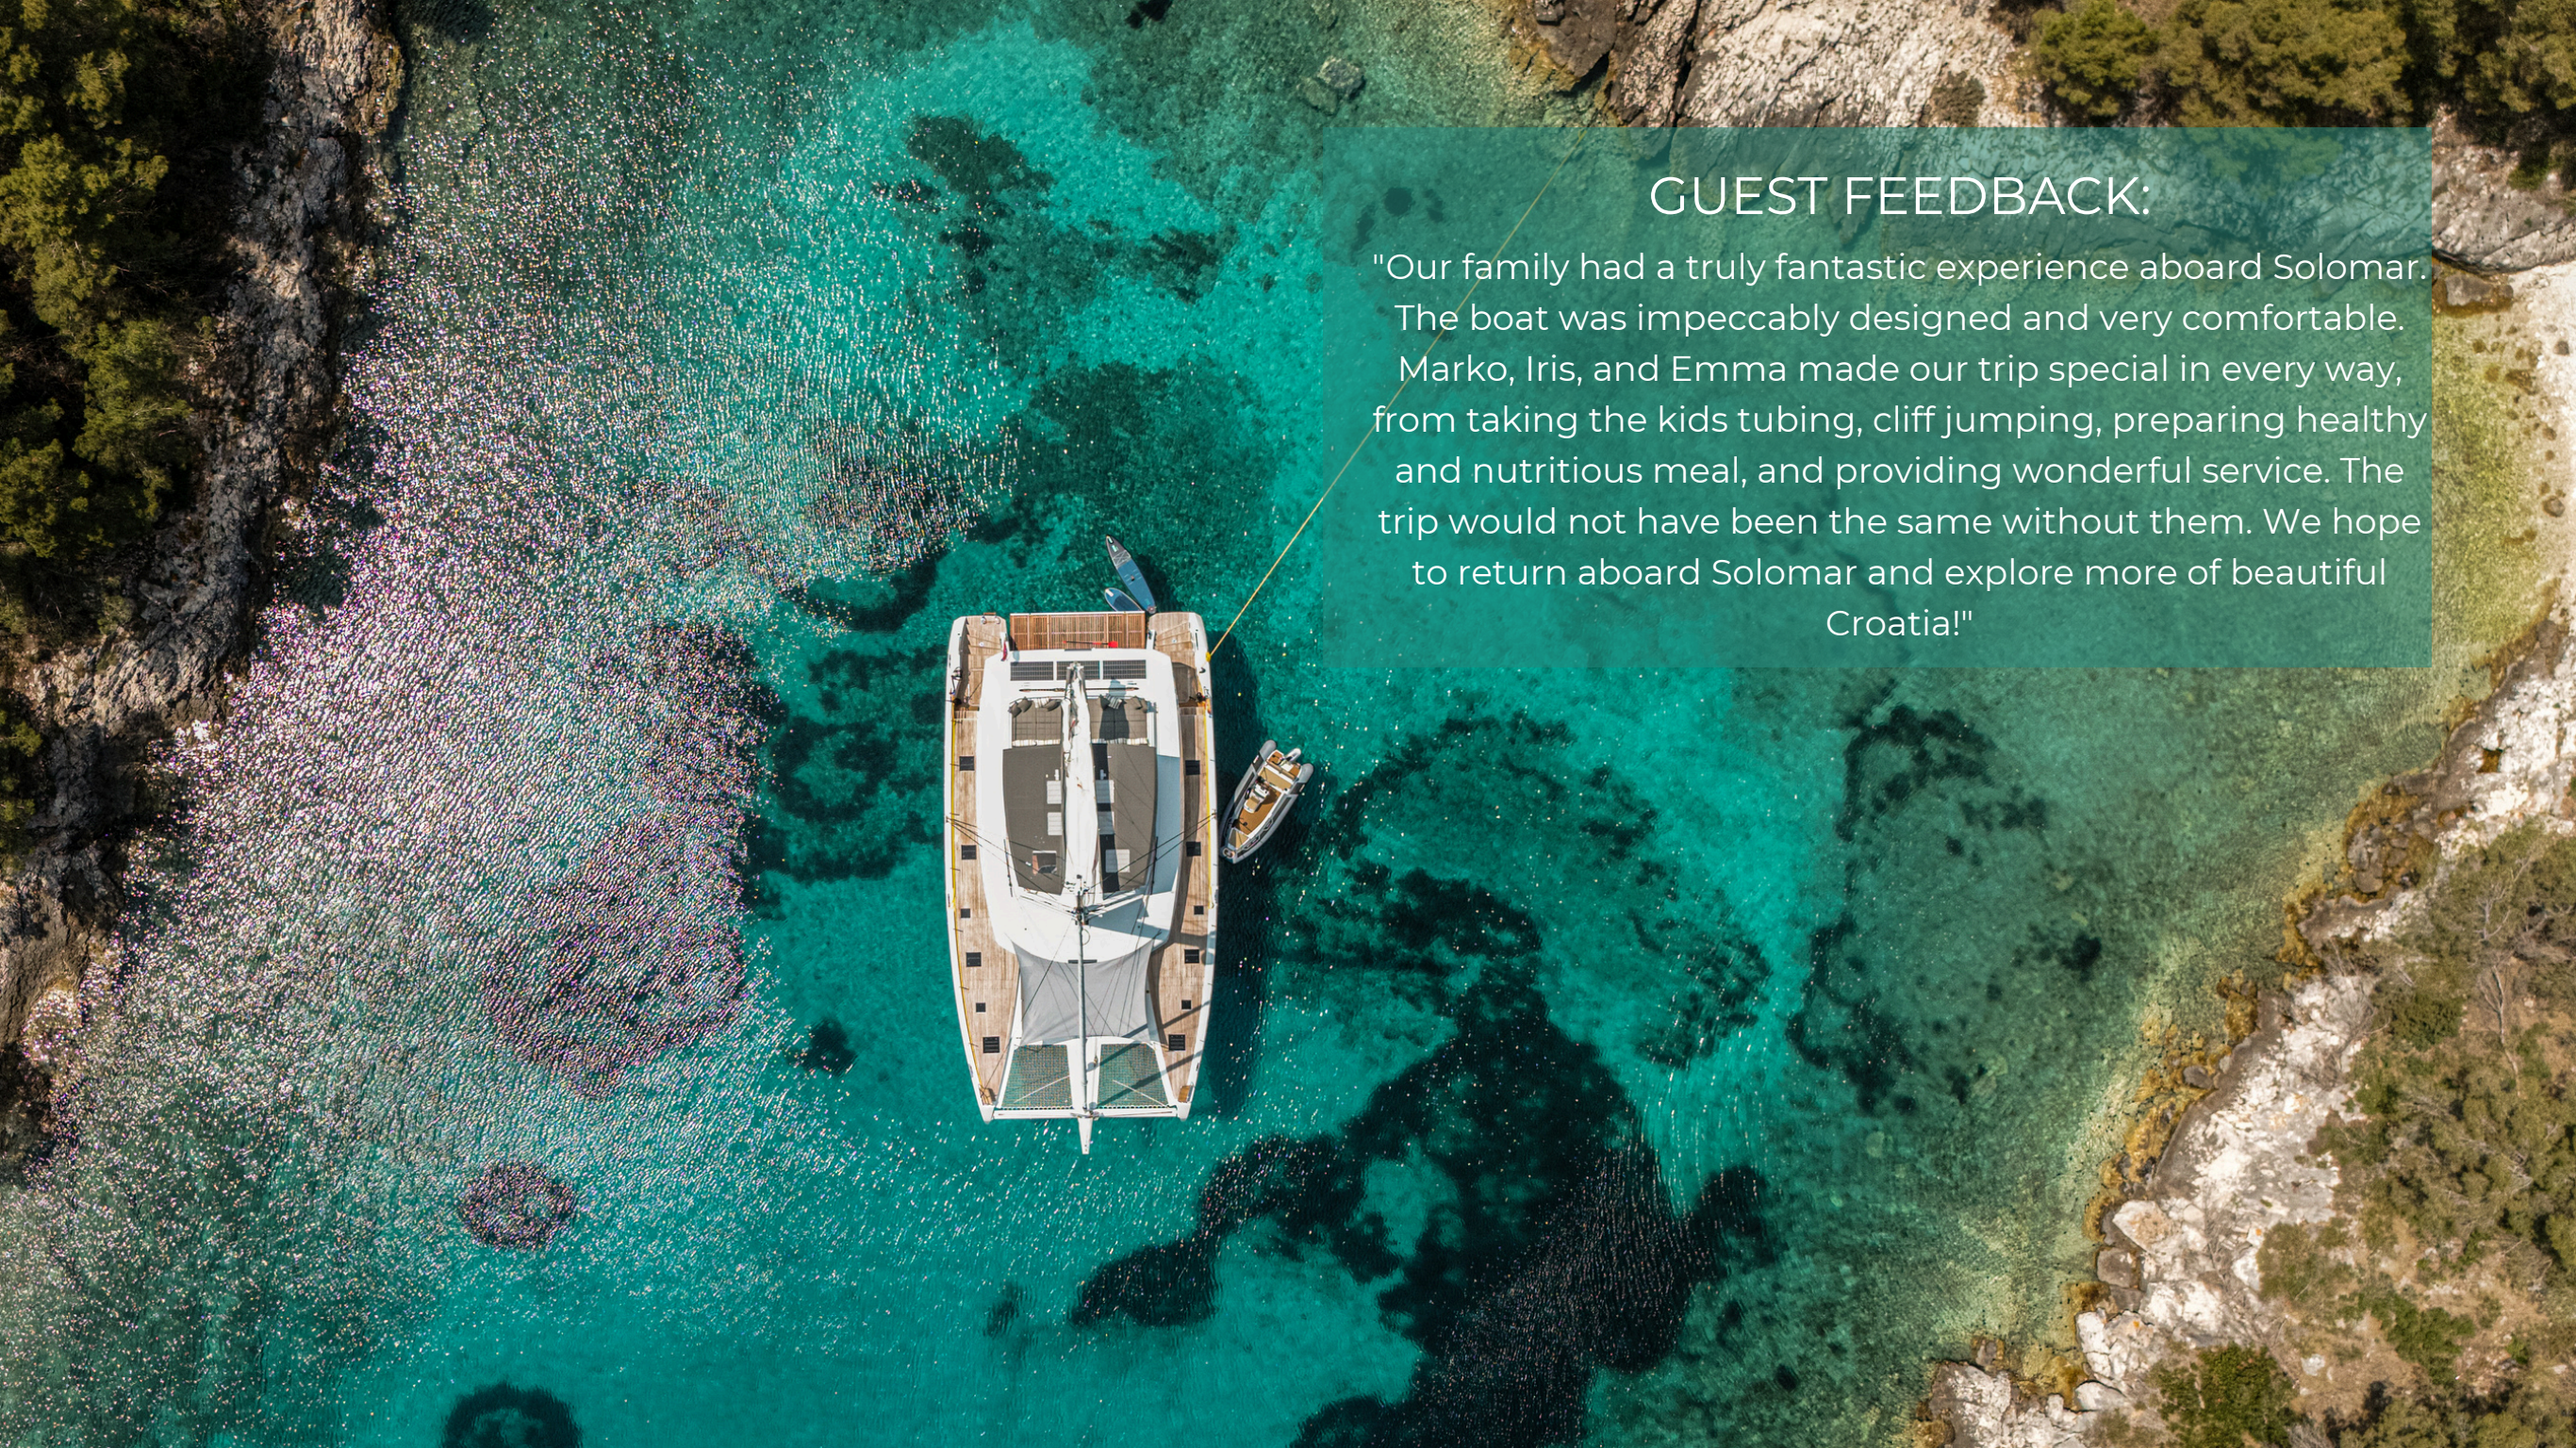

SOLOMAR 2026 | New Yacht, Same Magic

We're delighted to introduce the latest addition to the fleet. Following the sale of the catamaran Solomar (2025), the owner has replaced her with an identical model, newly built this year and carrying forward the same name. Solomar remains, but now in a new incarnation, ready for her debut charter season.
This latest addition brings a clear overall enhancement. Building on a well established and successful reputation, the new Solomar combines a proven concept with the advantages of a 2026 build. It offers updated finishes, modern specifications, and the reliability and presentation that come with a first season yacht.

It is a seamless continuation, now delivered to an even higher standard for the season ahead. And, what's most important, the same crew will remain on board!

Solomar is a Fountaine Pajot Samana 59 catamaran offering crewed charters in Croatia. It comes with four guest cabins, spacious indoor and outdoor areas, and a dedicated three person crew.

GUEST FEEDBACK:

"Our family had a truly fantastic experience aboard Solomar. The boat was impeccably designed and very comfortable. Marko, Iris, and Emma made our trip special in every way, from taking the kids tubing, cliff jumping, preparing healthy and nutritious meal, and providing wonderful service. The trip would not have been the same without them. We hope to return aboard Solomar and explore more of beautiful Croatia!"

MEET THE AWARD WINNING CREW

Captain Marko, raised on the Pelješac peninsula, has been sailing since childhood and brings years of experience as both a skipper and instructor. Chef Iris, from the island of Brač, combines culinary talent with nutrition expertise to create fresh, Mediterranean-inspired dishes. Hostess Adrea brings warmth and attentiveness to the crew, making every guests feel welcomed and cared for. With this team, you’re in excellent hands.

AWARD WINNING COCKTAILS

Captain Marko took part in the **2025 CROYA** Yacht Charter Show’s inaugural Cocktail Competition, where participants crafted signature drinks using ingredients commonly found on charter. His creation, **Liquid Gold**, earned him an impressive **third place** and was also our featured pairing for the evening. Made with gin infused with olive oil and local Dalmatian herbs, it’s a refined, regionally inspired cocktail that captures the spirit of the Adriatic.

"Thank you from the bottom of my heart. This will be a week to remember, thank you for the endless activities, like snorkelling, paddle boarding, and knot tying. Thank you for keeping use so well fed with delicious seafood and veggies as well as smoothies and dessert, you are the best crew I could have asked for"
