DOM PEDRO

PERSHING 50.1

SARDINIA & CORSICA

THE YACHT

Dom Pedro

Dom Pedro is a fifty-foot Pershing 50.1, built for the fast crossing between Sardinia and Corsica and for the long lunch once you arrive. Three cabins sleep six, and a separate crew cabin keeps the boat private. Air conditioning, a generator and a premium sound system are all on board, and the cockpit runs from a shaded table forward to a full-beam sunbed aft.

ON BOARD

A week, arranged around you

SKIPPER	Every charter is skippered. The captain handles routing, anchorages and the tender, and knows which side of the island to be on when the wind turns.
HOSTESS	A hostess can join the boat for the week, looking after the table, the cabins and the rhythm of the day.
COMFORT	Air conditioning throughout, a generator and a premium sound system, with a crew cabin kept separate from the guest accommodation.
ON THE WATER	Fifty feet of Pershing under you. The crossing to Corsica takes the morning rather than the day, which leaves the afternoon for the anchorage.
CONCIERGE	Restaurants, berths, transfers and shoreside plans arranged by our team, available as an option for the week.
