About This Yacht

Alina - Lagoon 42

Alina · Lagoon 42 · Owner's Version · 2023

Say hello to Alina, our 2023-model Lagoon 42 in the three-cabin owner's version. One whole hull is a private suite, while the other has two double cabins and two bathrooms, so everyone on board has space of their own. Electric toilets, a fan in every cabin, a flat-screen TV and a coffee machine make life on board easy.

A Private Owner's Suite

The owner's hull is one generous suite: a large double bed aft with storage drawers underneath, a settee and a long desk in the middle, a hanging wardrobe and shelves, and a spacious bathroom with a long vanity, a mirror cabinet and a separate glass shower stall. Large hull windows, opening hatches and a fan keep it bright and airy. Perfect for a couple who want their own space, or for the parents on a family holiday.

Room for Everyone

Alina has three double cabins and three bathrooms with electric toilets, and sleeps six guests in comfort in the double cabins, with two crew berths forward, one in each bow. The guest cabins are bright, with long hull windows, opening hatches and fans. One guest bathroom has a separate shower stall, the other a handheld shower at the basin. A water heater provides hot water, and there are 220 V sockets on board.

Saloon and Galley

Panoramic windows fill the saloon with light, and a big U-shaped settee with two poufs wraps around the dining table. There's a flat-screen TV, a capsule coffee machine and a front-opening fridge. The L-shaped galley has a three-burner gas hob, a gas oven, a microwave, a stainless steel sink and plenty of worktop and storage.

Navigation

The chart table has a Raymarine Axiom touchscreen chartplotter, a Raymarine fixed VHF radio, a stereo and a USB socket. Alina also has an autopilot and wind and speed instruments.

Sail or Simply Relax

A fully battened mainsail in a lazy bag and a furling genoa keep sail handling simple, and two 57 hp Yanmar diesel engines make manoeuvring easy. Solar panels help keep the batteries topped up.

Life on Deck

A bimini gives shade, the cockpit has cushions and speakers, and sun pads invite you to stretch out in the sun. An outside shower lets you rinse off after a swim, and a dinghy takes you ashore.

Steady and Easy to Handle

With a length of 12.79 m (42 ft), a 7.68 m (25 ft) beam and a shallow 1.29 m (4.2 ft) draft, she's wonderfully stable and can tuck into the Ionian's quiet coves.

We can't wait to welcome you aboard Alina.

Our Charter Base

Your gateway to the Ionian Sea

Preveza, Greece

Our charter base is located in **Preveza Main Port**, on the stunning Epirus coast. This is your gateway to the magnificent Ionian Sea, renowned for its crystal-clear waters, gentle winds, and picturesque islands.

Preveza offers excellent provisioning with supermarkets, bakeries, and local markets all within walking distance. The lively waterfront is lined with cafés and traditional tavernas serving fresh seafood.

Only 7km from PVK Aktion Airport

Why the Ionian Sea?

The south-western coast of Greece is a sailor's dream. Reliable summer breezes, lush green scenery, and short distances between safe anchorages make it ideal for relaxed bay-to-bay cruising. Unlike the Cyclades with their strong Meltemi winds, the Ionian offers sheltered waters perfect for families and those seeking a gentler sailing experience.

Expect red-tiled Venetian architecture, crystal-clear waters, verdant hillsides covered in olive groves and pine forests, and the warmest Greek hospitality at every taverna you visit.

Your Sailing Destinations

From Preveza, sail through the Lefkas Canal to **Lefkada**, then on to the unspoiled island of **Meganisi**. Visit **Ithaca** - the legendary home of Odysseus - with its charming harbours of Vathi and Kioni. Explore **Kefalonia's** dramatic coastline, or find solitude at **Kalamos** and **Kastos**. For the ultimate escape, anchor in the turquoise bays of uninhabited **Atokos**, or glimpse the private islands of Skorpios and Skorpidi.
