About This Yacht

Sofiya - Sun Odyssey 490

Sofiya · Jeanneau Sun Odyssey 490 · 4 cabins + skipper cabin · 2024

Meet Sofiya, our 2024 Jeanneau Sun Odyssey 490. She is a modern performance cruiser with four double cabins, three bathrooms with electric toilets and a separate skipper cabin in the bow, and she is made for easy handling: an in-mast furling mainsail, a furling genoa and a bow thruster for stress-free marina manoeuvres.

Room for Everyone

Sofiya sleeps eight guests in four double cabins, two aft and two forward. All three bathrooms have a shower and an electric toilet, and the aft bathroom has a separate glass shower stall. Fans keep the cabins and the saloon airy. The skipper has a private cabin in the forepeak with its own toilet.

Saloon and Galley

Deck hatches with blinds bring light and fresh air into the saloon, where a settee wraps around the table. The galley has a gas stove and oven, a double sink, a fridge and a freezer, and a 2000 W inverter provides 220 V power on board. A Fusion stereo plays through speakers in the saloon and in the cockpit.

Navigation You Can Trust

Raymarine electronics: an Axiom chartplotter at the helm, wind, speed and depth instruments on the cockpit pedestal, a Quantum 2 radar, an autopilot and a fixed Ray63 VHF. The electric anchor windlass is controlled from the helm, and a bow thruster with a joystick at the helm makes mooring simple.

Sail or Simply Relax

With the mainsail furling into the mast and a furling genoa, setting and reefing sail is quick and easy, and Harken winches handle the sheets. A 59 kW (80 hp) Yanmar diesel takes over when the wind drops, and a solar panel on the coachroof helps keep the batteries charged.

Life on Deck

Twin wheels, a teak-look cockpit floor, cockpit cushions and a cockpit table with drop leaves make the cockpit the heart of the boat. A sprayhood and a bimini, joined by clear side panels, give shade and shelter, and cockpit lighting makes evenings on board easy. At the stern, the fold-down teak bathing platform with swim ladder takes you straight into the sea, and an outside shower lets you rinse off afterwards. A liferaft is stowed at the stern.

Tender

Sofiya carries an inflatable dinghy with a Honda 5 hp outboard for easy trips ashore.

Built for Comfort

With a 14 m (46 ft) hull and a 4.49 m (14.7 ft) beam, she offers generous space inside and out for eight guests and a skipper, wherever you sail in the Ionian.

We can't wait to welcome you aboard Sofiya.

Your gateway to the Ionian Sea

Preveza, Greece

Our charter base is located in **Preveza Main Port**, on the stunning Epirus coast. This is your gateway to the magnificent Ionian Sea, renowned for its crystal-clear waters, gentle winds, and picturesque islands.

Only 7km from PVK Aktion Airport

Why the Ionian Sea?

The south-western coast of Greece is a sailor's dream. Reliable summer breezes, lush green scenery, and short distances between safe anchorages make it ideal for relaxed bay-to-bay cruising. Unlike the Cyclades with their strong Meltemi winds, the Ionian offers sheltered waters perfect for families and those seeking a gentler sailing experience.

Expect red-tiled Venetian architecture, crystal-clear waters, verdant hillsides covered in olive groves and pine forests, and the warmest Greek hospitality at every taverna you visit.

Your Sailing Destinations

From Preveza, sail through the Lefkas Canal to **Lefkada**, then on to the unspoiled island of **Meganisi**. Visit **Ithaca** - the legendary home of Odysseus - with its charming harbours of Vathi and Kioni. Explore **Kefalonia's** dramatic coastline, or find solitude at **Kalamos** and **Kastos**. For the ultimate escape, anchor in the turquoise bays of uninhabited **Atokos**, or glimpse the private islands of Skorpios and Skorpidi.
