About This Yacht

Elenya - Lagoon 450 Sport

Elenya · Lagoon 450 S · Four-Cabin Version · 2021

Say hello to Elenya, our 2021 Lagoon 450 S in the four-cabin, four-bathroom version. Four double cabins, each with its own bathroom, make her a natural choice for two families or a group of friends who want comfort and privacy, and she comes with plenty of extras: a 2000 W inverter, an extra 130-litre fridge, electric toilets, electric winches at the helm, a microwave with grill and fans in the saloon and every cabin.

Four Cabins, Four Bathrooms

Each hull has two double cabins and two bathrooms, and every bathroom has a separate glass shower stall and an electric toilet. Elenya sleeps up to 12 guests: eight in the four double cabins, two in the single berths in the bow compartments and two on the convertible saloon double berth. The cabins have 220 V sockets with USB ports and fans, and the warm Alpi Walnut interior gives her an elegant, cosy feel.

Saloon and Galley

Large windows wrap around the saloon, with a U-shaped settee and two poufs around the table and a chart table with its own plotter. The galley has a double sink, a three-burner gas hob, a gas oven, a built-in microwave with grill, a 130-litre fridge plus an extra 130-litre fridge, and 220 V power from the 2000 W inverter. A 32" TV on an electric lift, a Fusion stereo with Bluetooth and speakers in the saloon and in the cockpit take care of entertainment.

Navigation You Can Trust

A complete B&G package: Zeus 3 12" chartplotters at the helm and at the chart table, wind, speed and depth displays at the helm, an autopilot with remote control and a

B&G V60 fixed VHF. The electric anchor windlass has a control with chain counter at the helm.

Sail or Simply Relax

A fully battened square-top mainsail in a lazy bag, a furling genoa and electric winches at the raised helm station make her easy to sail. Twin 57 hp Yanmar engines make manoeuvring easy.

Life on Deck

The big aft cockpit has a teak floor, cushions and a table under the hard top, and clear side panels can close it in when the wind picks up. The raised helm has a bench seat under a hard-top bimini with an opening sunroof. On the coachroof there is a sun pad, and forward you'll find a cushioned lounge and the trampolines. A 65-litre cockpit ice box keeps drinks cold, and at the stern the transom steps and a deck shower make swimming easy.

Tender

Elenya carries a Highfield aluminium-hull RIB with a Honda 20 hp outboard on stainless steel davits, for easy trips ashore.

Steady and Easy to Handle

With a 7.87 m (25.8 ft) beam and a 1.47 m (4.8 ft) draft, she's wonderfully stable and comfortable, at anchor or under way.

We can't wait to welcome you aboard Elenya.

Our Charter Base

Your gateway to the Ionian Sea

Preveza, Greece

Our charter base is located in **Preveza Main Port**, on the stunning Epirus coast. This is your gateway to the magnificent Ionian Sea, renowned for its crystal-clear waters, gentle winds, and picturesque islands.

Preveza offers excellent provisioning with supermarkets, bakeries, and local markets all within walking distance. The lively waterfront is lined with cafés and traditional tavernas serving fresh seafood.

Only 7km from PVK Aktion Airport

Why the Ionian Sea?

The south-western coast of Greece is a sailor's dream. Reliable summer breezes, lush green scenery, and short distances between safe anchorages make it ideal for relaxed bay-to-bay cruising. Unlike the Cyclades with their strong Meltemi winds, the Ionian offers sheltered waters perfect for families and those seeking a gentler sailing experience.

Expect red-tiled Venetian architecture, crystal-clear waters, verdant hillsides covered in olive groves and pine forests, and the warmest Greek hospitality at every taverna you visit.

Your Sailing Destinations

From Preveza, sail through the Lefkas Canal to **Lefkada**, then on to the unspoiled island of **Meganisi**. Visit **Ithaca** - the legendary home of Odysseus - with its charming harbours of Vathi and Kioni. Explore **Kefalonia's** dramatic coastline, or find solitude at **Kalamos** and **Kastos**. For the ultimate escape, anchor in the turquoise bays of uninhabited **Atokos**, or glimpse the private islands of Skorpios and Skorpidi.
