About This Yacht

Lubina - Lagoon 40

Lubina · Lagoon 40 · Owner's Version · 2021

Say hello to Lubina, our 2021 Lagoon 40 in the three-cabin owner's version. One whole hull is a private suite, and she comes with extras that make life on board easy: a 2000 W inverter, an extra 100-litre fridge, electric toilets, a microwave with grill and a fan in every cabin.

A Private Owner's Suite

The owner's hull is one generous suite: a large double bed aft, a settee and a desk in the middle, plenty of storage, and a big bathroom forward with a long vanity and a separate glass shower. Perfect for a couple who want their own space, or for the parents on a family holiday.

Room for Everyone

Lubina has three double cabins and two bathrooms, both with electric toilets and separate shower stalls, and sleeps up to 10 guests: six in the three double cabins, two in the single berths in the bow compartments (one in each hull, reached from the deck) and two on the convertible saloon double berth. The cabins have 220 V sockets and fans, and the bright, light interior gives her a fresh, modern feel.

Saloon and Galley

Panoramic windows fill the saloon with light, and a U-shaped settee with two poufs wraps around the table. The galley has everything you need for meals on board: a three-burner gas hob, a gas oven, a built-in microwave with grill, a fridge plus an extra 100-litre fridge, and a capsule coffee machine. The 2000 W inverter provides 220 V power, and a Fusion stereo with Bluetooth plays through speakers in the saloon

and in the cockpit.

Navigation You Can Trust

B&G electronics: Zeus 3 chartplotters at the chart table and at the helm, wind, speed and depth displays at the helm, an autopilot with remote control and a fixed B&G VHF. The electric anchor windlass has a control with chain counter at the helm.

Sail or Simply Relax

A fully battened square-top mainsail in a lazy bag and a furling genoa keep sail handling simple. Twin 45 hp Yanmar engines with saildrives and folding propellers make manoeuvring easy.

Life on Deck

Teak on the cockpit floor, the aft deck and the transom steps, cushions and a table in the aft cockpit under the hard top, a clear enclosure that closes in the aft cockpit when the wind picks up, and a bimini with windows over the helm keep you comfortable in sun and wind. At the stern there is a deck shower for rinsing off after a swim and a passerelle for stepping ashore, and forward you'll find the trampolines. A liferaft is stowed on the aft beam.

Tender

Lubina carries a Highfield UL 290 aluminium-hull RIB with a Honda 10 hp outboard on stainless steel davits, for easy trips ashore.

Steady and Easy to Handle

With a 6.76 m (22 ft) beam and a shallow 1.35 m (4.4 ft) draft, she's wonderfully stable and can tuck into the Ionian's quiet coves.

We can't wait to welcome you aboard Lubina.

Your gateway to the Ionian Sea

Preveza, Greece

Our charter base is located in **Preveza Main Port**, on the stunning Epirus coast. This is your gateway to the magnificent Ionian Sea, renowned for its crystal-clear waters, gentle winds, and picturesque islands.

Preveza offers excellent provisioning with supermarkets, bakeries, and local markets all within walking distance. The lively waterfront is lined with cafés and traditional tavernas serving fresh seafood.

Only 7km from PVK Aktion Airport

Why the Ionian Sea?

The south-western coast of Greece is a sailor's dream. Reliable summer breezes, lush green scenery, and short distances between safe anchorages make it ideal for relaxed bay-to-bay cruising. Unlike the Cyclades with their strong Meltemi winds, the Ionian offers sheltered waters perfect for families and those seeking a gentler sailing experience.

Expect red-tiled Venetian architecture, crystal-clear waters, verdant hillsides covered in olive groves and pine forests, and the warmest Greek hospitality at every taverna you visit.

Your Sailing Destinations

From Preveza, sail through the Lefkas Canal to **Lefkada**, then on to the unspoiled island of **Meganisi**. Visit **Ithaca** - the legendary home of Odysseus - with its charming harbours of Vathi and Kioni. Explore **Kefalonia's** dramatic coastline, or find solitude at **Kalamos** and **Kastos**. For the ultimate escape, anchor in the turquoise bays of uninhabited **Atokos**, or glimpse the private islands of Skorpios and Skorpidi.
