San Lorenzo S72

Discover the luxury aboard the San Lorenzo S72, a 22.8-meter masterpiece that represents the pinnacle of elegance at sea. Completely refitted in 2023, this yacht offers a modern and refined atmosphere, featuring spacious cabins and an exclusive relaxation area on the flybridge. Ideal for private cruises, romantic sunsets, and unforgettable moments, every detail has been designed to ensure maximum comfort and absolute privacy.
During the refit, numerous state-of-the-art features were installed, including a new refrigerator and freezer, ice maker, cooktop, washer-dryer, and an advanced Fusion 6-zone audio system for an immersive sound experience.
The navigation equipment is entirely new, with Garmin GPS, radar, and autopilot systems. The upholstery has also been completely redone, both inside and outside, including new mattresses and custom-made curtains in all cabins. In addition, the curtains in the main salon are equipped with electronic opening and closing, adding an extra touch of comfort.
Treat yourself to a unique experience in one of Italy's most enchanting settings, aboard a yacht that perfectly combines technology, elegance, and functionality.
