# MARIJO KOTORAŠ skipper

Marijo Kotoraš is the steady skipper aboard Captain Morgan and knows the boat inside and out. He has been in love with the sea all his life.

Here's what guests say about Marijo: „Amazing time on board with out family. Big thanks to captain Marijo who took us to so many incredible places and we managed to see so many things during the week. The last day, the only thing left on our list were dolphins and on the way back to Split even this was fulfilled!”
