SAILING YACHT IN CROATIA

Introducing KABUKI: a designer yacht with a difference. Its concept combines
comfort,
luxury and performance.

This new and fully equipped Dufour 56 Exclusive is available for charter
bareboat or with recommended skipper.

Are you ready to experience real sailing in style!

WHY KABUKI?

Kabuki is a traditional form of Japanese theatre which involves elaborate costumes, wigs and eye-catching make-up.

Actors use dance, mime and highly stylised movements to express emotions, accompanied by a rich blend of music and spectacular staging.

The beauty and emotion of Kabuki provided inspiration for our yacht, and you can experience the elements of this art form throughout. Both the interior and exterior design capture the essence of Japan.
