

## **Butterfly Water Sports Covid-19 cleaning policy**

We will provide a disinfected boat before of each sailing day trip or sailing boat charter. The Skipper will wear a mask all the time if he is closer than 2m to others. The check in will be on board or open air not in the office.

On board will be provided for all guests a hand disinfection liquid for use after each coming back from the land. And there will be as well surface disinfectants on board for the daily disinfection of the salon, toilets and cabins.

Please try to buy all the stuff what you need for the sailing trip before the trip. To have less as possible contact to people which you don't know.

Please sail with people from who you know that they are healthy.

We are looking forward to sail with you.  
Your Butterfly Water Sports Team  
Sebastian
