Outstanding crew and boat. Adriatic Tiger is the best boat in Croatia

Jul 2024 • Family

We did 1 week with Adriatic Sailing at the end of June and it was the best family trip we've been on. The boat was amazing and the crew was incredible. Our captain Stjepan took care of us every step of the way and ensured everyone on the boat had a memorable experience. If you plan on doing a trip in Croatia then there is no one better than Stjepan. Stjepan spent time explaining the local spots and gave us great recommendations for meals, excursions and spots to dock the boat. Our chef Ivan prepared wonderful meals and took great care of the guests with food allergies. Additionally, our hostess Nadja prepared unique drinks and took pride in showing us wonderful new drinks. Our crew from Adriatic Sailing was the best and we couldn't imagine having a different crew. It was hard to leave and we plan on booking with them again!

Incredible Croatia Experience

Aug 2024 • Friends

What an incredible experience... captain Stjepan and his crew were incredible hosts and facilitated a first class experience from start to finish.

Every port we arrived, we had a great spot and the captain knew all the locals and was able to guide us in the right direction.

Chef served incredible meals that could compete with some of the best restaurants around the world. He also catered to our menu requests and executed flawlessly!

I would highly recommend and we plan on returning next year

Incredible Sailing Charter

Jul 2024 • Family

We booked the Adriatic tiger during the summer for a week in July. 620 Lagoon. The boat was beautiful, but the crew was even better. Stjepan was the greatest captain. Very knowledgeable about the area and also gave us local insight on some of the greatest spots in Croatia. He showed us all the secret local spots. Ivan was an amazing chef and made sure that the entire group of 10 people were satisfied with each and every meal. Nadja met all of our wants and needs, exceeding all expectations. She made sure we were living in luxury. The best bartender. We received the most special treatment. Highly would recommend this crew. 10/10

Incredible week beyond expectations!

Jun 2024 • Family

We spent a week with our grown children and significant others aboard the Adriatic Tiger traveling around the Croatian Islands in June 2024. The experience was beyond our expectations! Not only were the accommodations on the boat incredible, but the crew offered us an experience of a lifetime. We could not have asked for 3 better people to take care of us. Stipen (captain) was very aware of what we wanted out of the trip, and he instinctively made it happen. Evan (chef) provided the most delicious and fresh food for us every day...this was well above our expectations, and we were so grateful for him. And Nadja (hostess) was there for us at our every turn. We never wanted for anything the whole week....
