Unwind in Luxury and Explore the Seas – Serenity Awaits

I want to thank you Boatbookings and all the other people involved in our charter of Serenity last week in Croatia. Our family experience was tremendous, the boat was beautiful and our captain (Marko) and crew (Ina) were exceptional. Marko and Ina made us feel comfortable and they exhibited excellent skills associated with sailing such a large boat in tricky winds and water. The owner of the boat should feel exceptionally fortunate to have such skilled and wonderful people operating his boat. Until next time!

Our week aboard SERENITY exceeded all expectations. Between Marko - calm leadership and Ina - wonderful cooking, we felt spoiled from the moment we came aboard. We feel so honored to have spent this family vacation with you, in your gorgeous country and on such a beautiful boat. We would change nothing about this week and we will remember the memories for the rest of our lives. Thank you so much for making all of us feel so special. Really appreciate your guidance Boatbookings and look forward to the next charter!

Thank you Marko and Bruno for helping create memories for our family that will last a lifetime. A highlight was our morning in Vis, drinking Cappuccinos and buying fresh swordfish, bread and fruit at the market; it reconfirmed in my mind that there are good people in the world! Please come and visit us, you are always welcome. Thank you Boatbookings for making this trip a reality and putting it all together.
